## Better Function in Metal Mesh

profile fteu® & fteu® Group

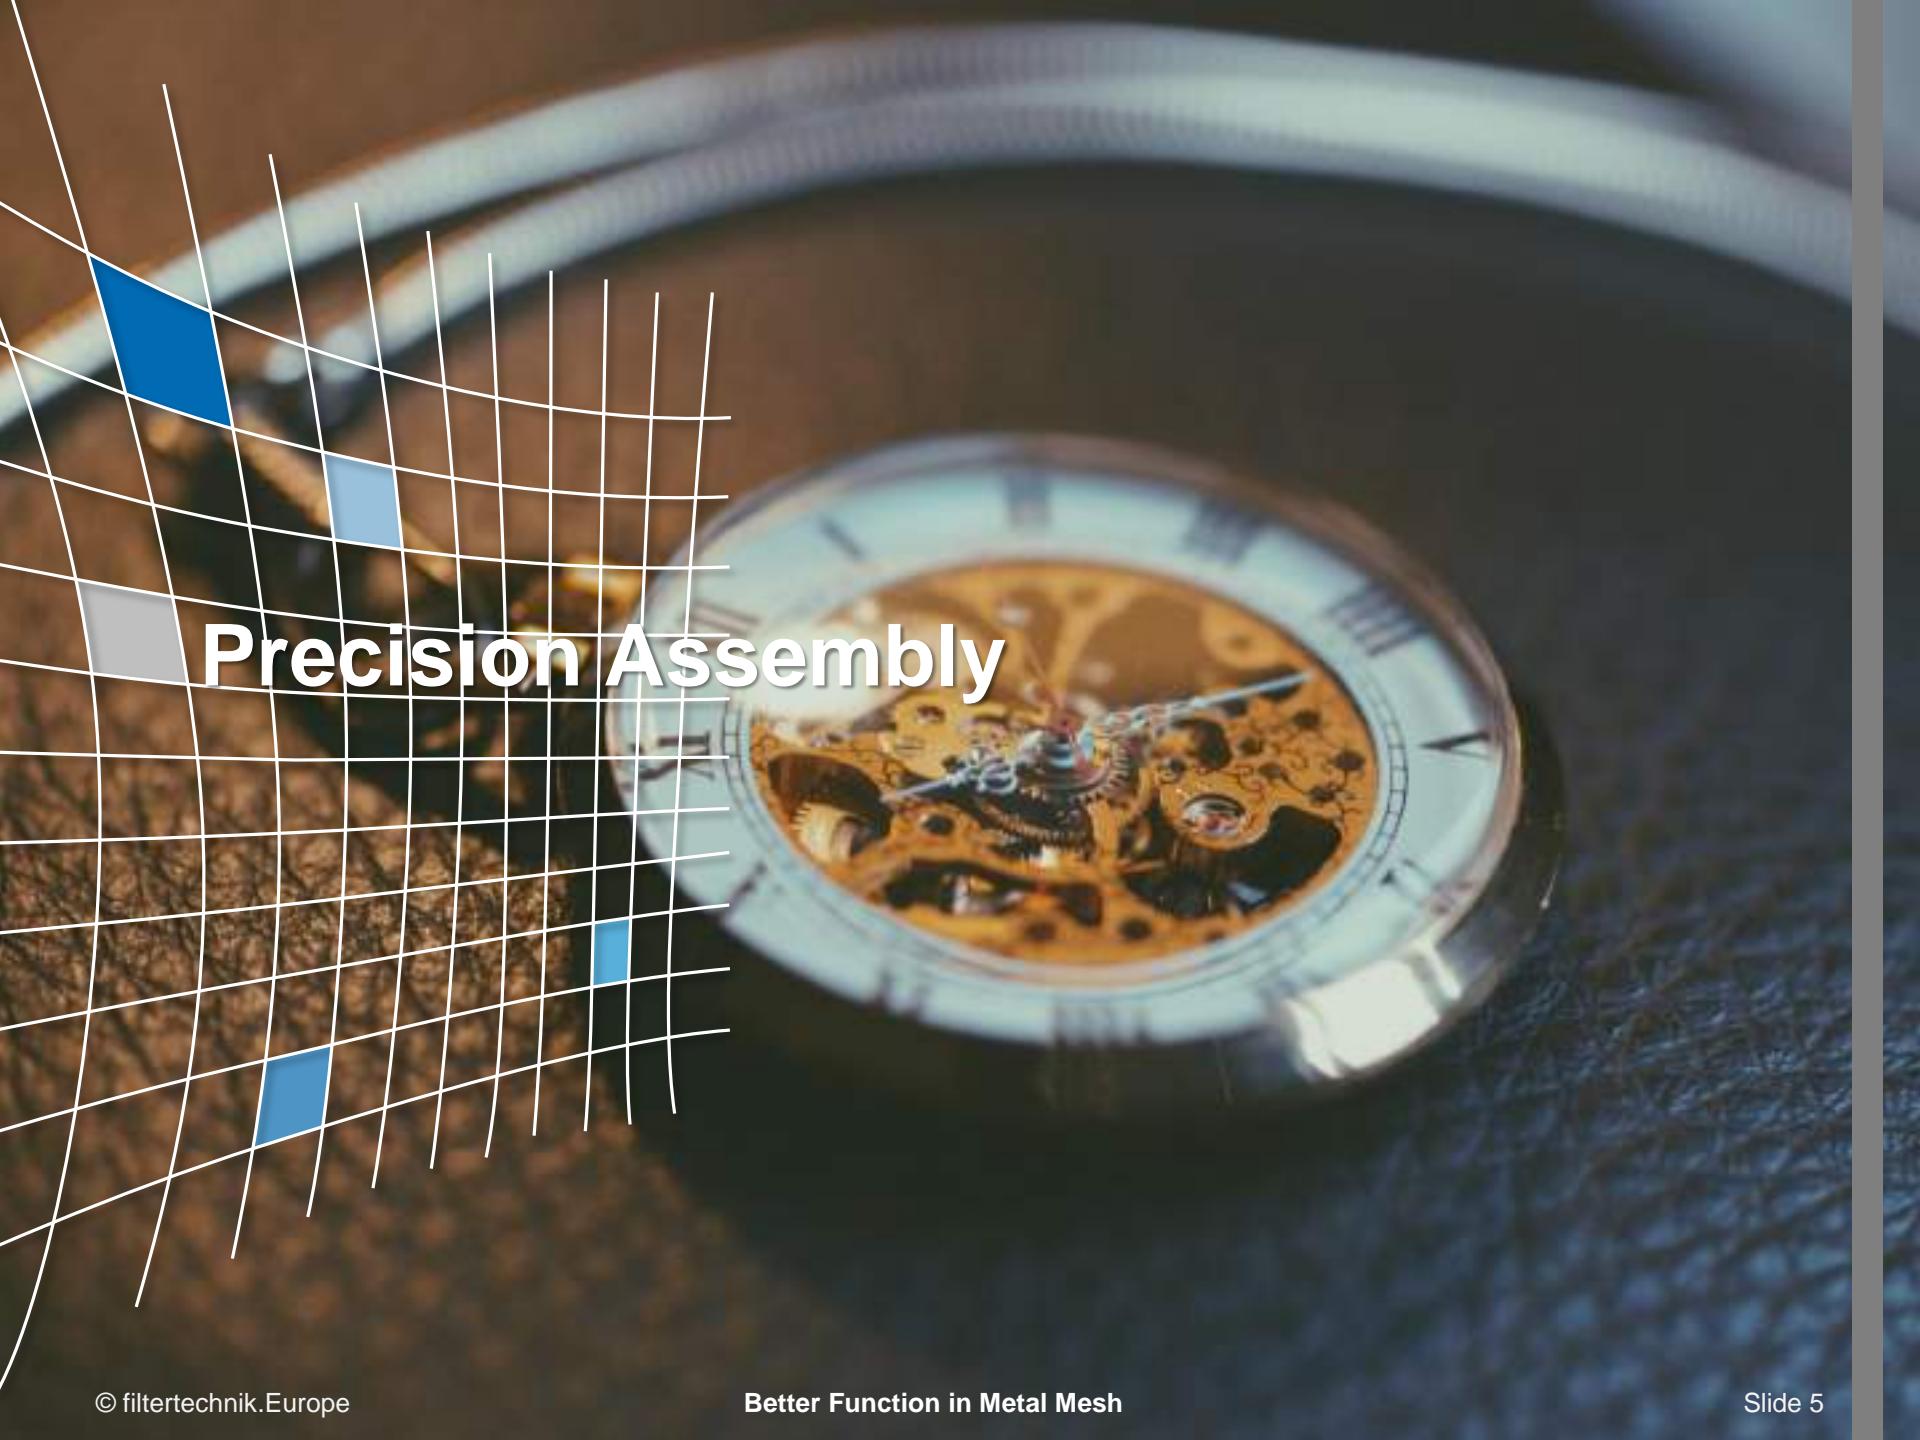

# Our Mission

We want to be  
the best partner  
for metal mesh solutions  
for our customers  
worldwide

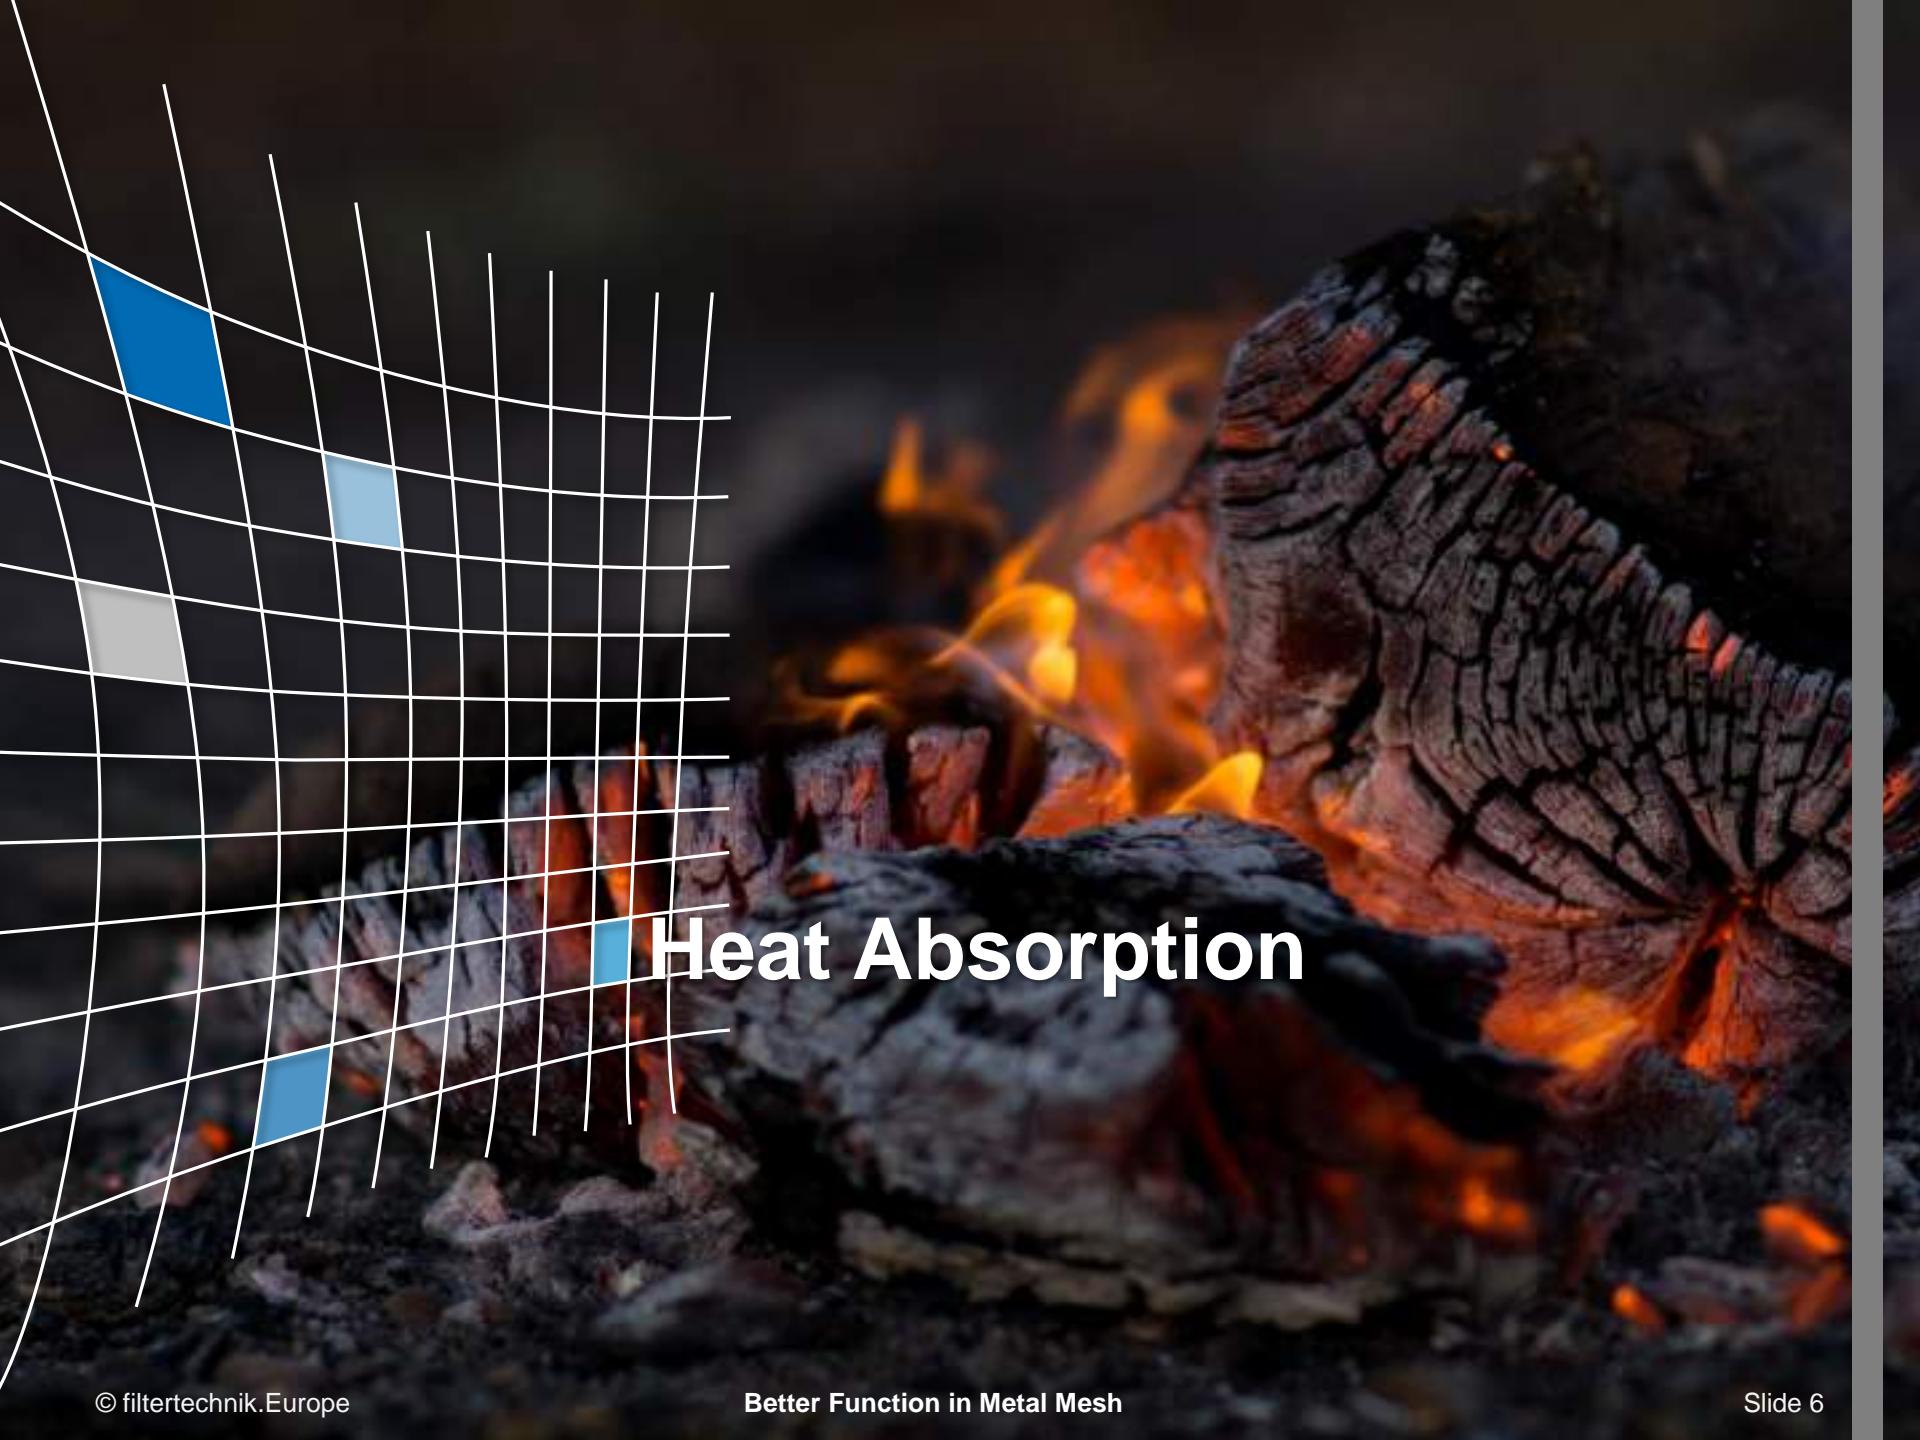

# Fluid Filtration

# Fluid Dispersion

# Precision Assembly

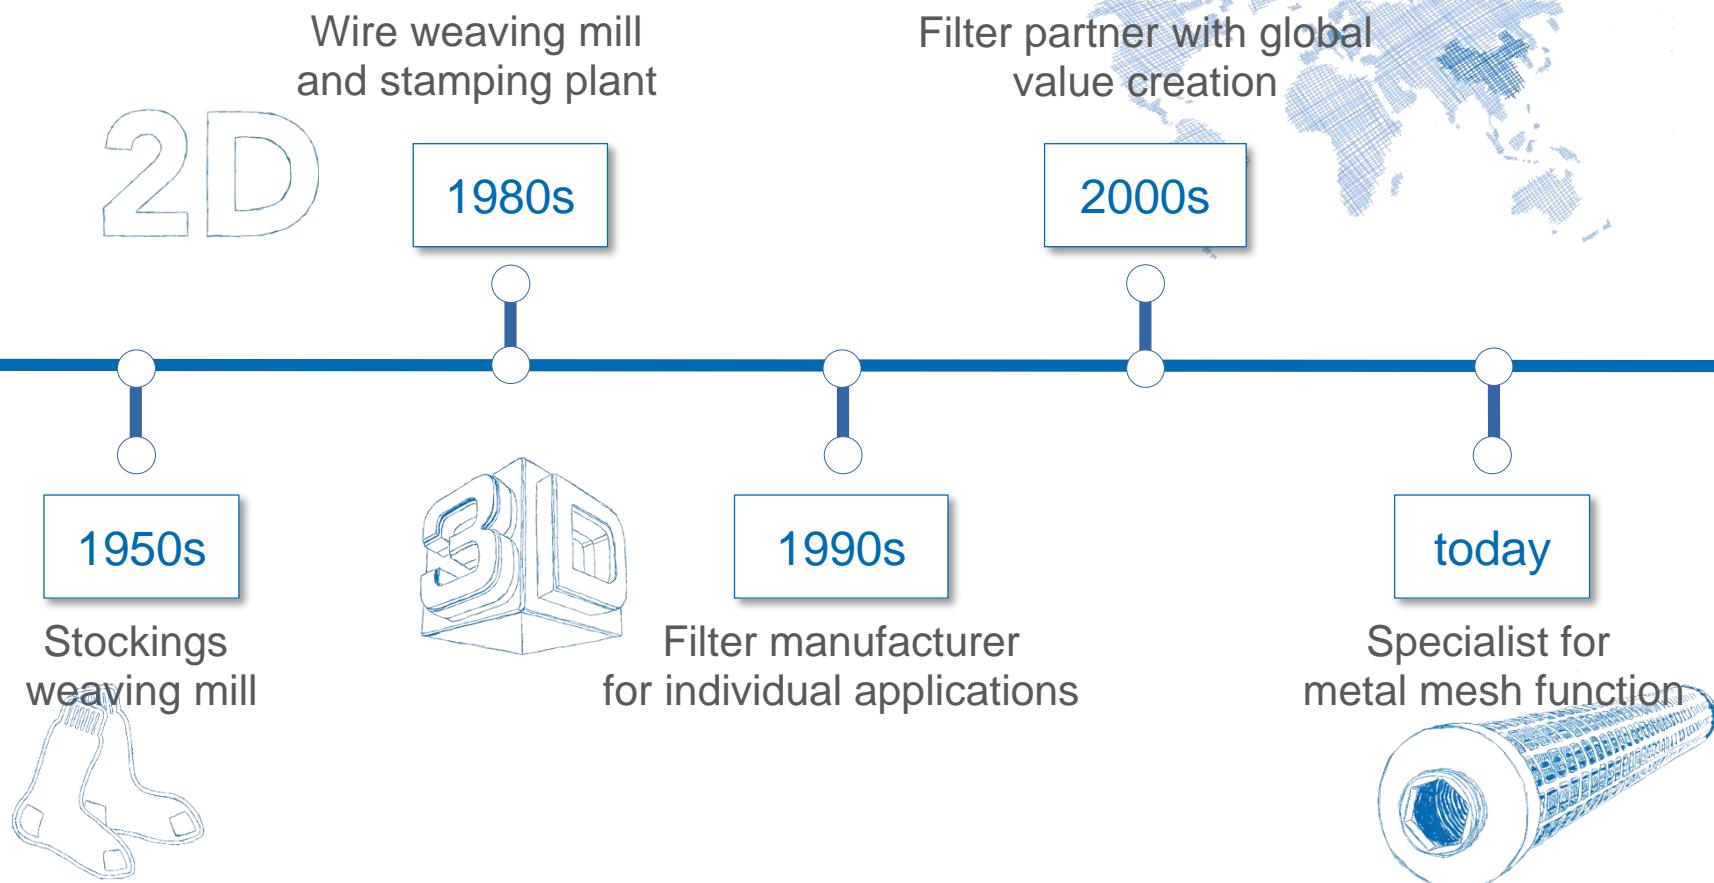

# Heat Absorption

# Sound Absorption

# History

## Our roots

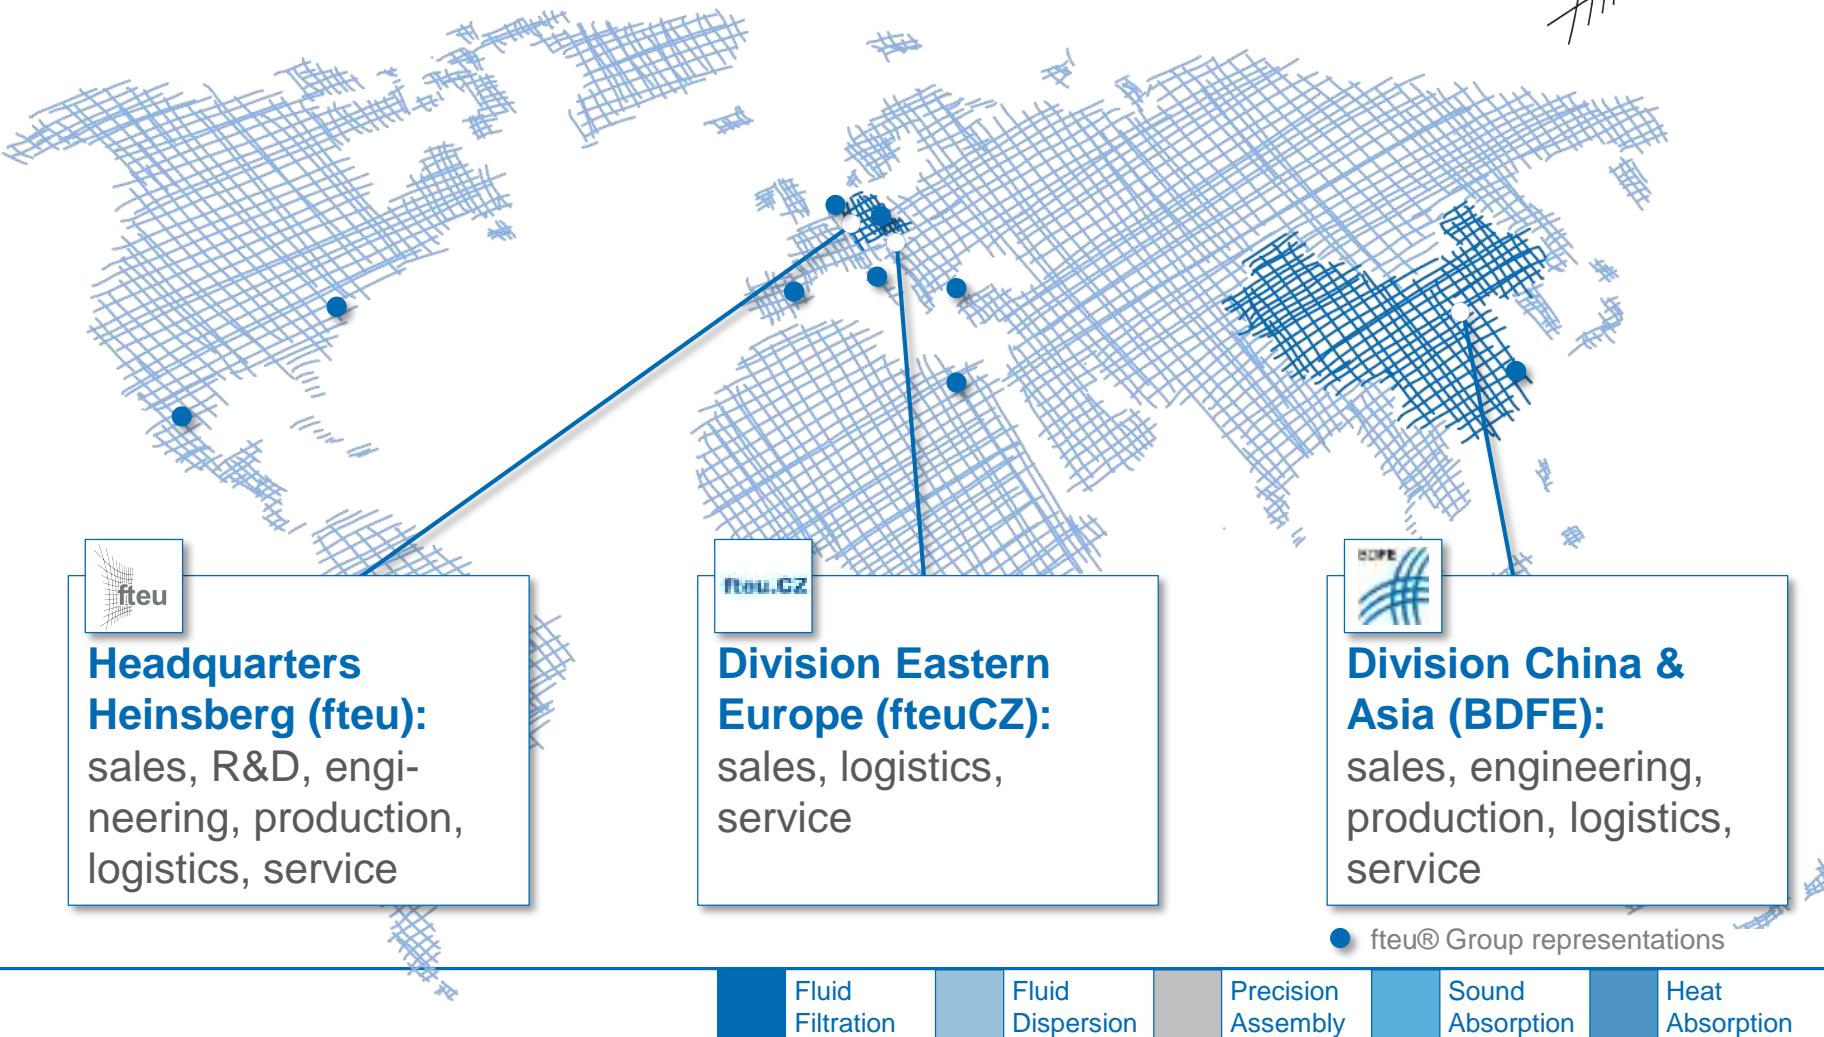

Fluid  
Filtration

Fluid  
Dispersion

Precision  
Assembly

Sound  
Absorption

Heat  
Absorption

# Technology

## Functional elements of metal mesh

2D

Backflushing  
cleanability

Mechanical  
stability

3D

Flexible  
formability

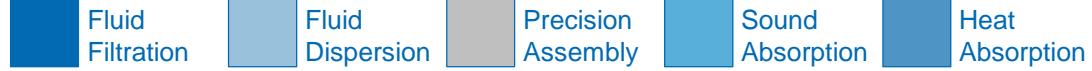

Thermal  
durability

Environmental  
Recyclability

4.0

Chemical  
resistance

# Applications

## Solutions across all industries

Architecture

Automotive

Healthcare

Maritime

Chemical

Household

Plastics

Aviation

Mech. Eng.

Food

Nonwoven

Textiles
